

HYD-MECH SAWS

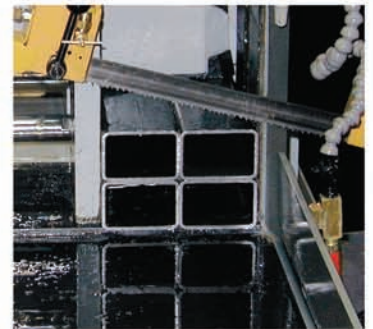

**WHATEVER YOUR
SAWING NEED, WE'VE
GOT THE RIGHT
SOLUTION!**

**BAND SAWS • COLD SAWS
MANUAL • AUTOMATIC • CNC**

For more than 30 years, Hyd-Mech saws have built a reputation on reliability and durability to keep production working harder and going longer. Leading the industry with metal band saw and circular cold saw technology, we offer the largest range of sawing machines available in the industry.

From portable band saws for home or jobsites to large stationary shop machines – Hyd-Mech saws are a cut above the competition to make your job easier. We also offer a wide array of integrated material handling systems to complete your production department.

We Provide Profitable Sawing Solutions

HYD-MECH
The
Rock Solid
Solution.
